CompuPeaceSM

for Business

- ☑ We manage your anti-virus, anti-spyware, firewall, web protection, data backup and security needs.
- ☑ Regular maintenance performed monthly, which includes general preventative maintenance such as disk defragmentation, temporary file clean up, case and fan cleaning, installation of critical security patches and updates for operating system and applications, server/network administration, and more.
- ☑ Unlimited service calls as needed for service requests.
- ☑ Unlimited remote desktop support for maintenance as needed.
- ☑ Unlimited shop labor as needed for repairs.
(Parts not included, and some limitations apply to Mac systems.)
- ☑ Same or next business day service call response, including phone and email tech support.
- ☑ A portion of each monthly payment is donated to charities that feed the poor, orphans, homeless, and missions that share the good news of Jesus Christ.
(For a listing of charities we donate to, please visit: www.ComputerResponders.com/charities)

All this starting at only **\$25** per month per computer. This low price is for businesses with a network up to 8 systems. For more than 8 systems, contact us for further information and pricing tailored to your needs.

Jesus said, "Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you.
Let not your heart be troubled, neither let it be afraid." (John 14:27)
